

## برنامه همایش | Conference schedule

[vpadink.ir/seed2022](http://vpadink.ir/seed2022)

۲۰ بهمن ماه ۱۴۰۰ - بخش اول (افتتاحیه) - ساعت شروع ۸:۳۰ دقیقه صبح

۱	تلاوت آیاتی چند از کلام الله مجید	۵ دقیقه
۲	سرود جمهوری اسلامی ایران و کلیپ سال تولید، پشتیبانی ها، مانع زدایی ها	۵ دقیقه
۳	سخنرانی و خوش آمدگویی جناب آقای دکتر محمد نبی احمدی، ریاست محترم دانشگاه رازی	۱۰ دقیقه
۴	کلیپ	۵ دقیقه
۵	سخنرانی و خوش آمدگویی جناب آقای دکتر آیدین حمیدی، ریاست محترم انجمن علمی بذر ایران	۱۰ دقیقه
۶	کلیپ	۵ دقیقه
۷	سخنرانی جناب آقای دکتر محسن شریفی، مدیر کل محترم دفتر برنامه‌ریزی و سیاست‌گذاری امور پژوهشی وزارت علوم	۱۰ دقیقه
۸	کلیپ	۵ دقیقه
۹	ارائه گزارش جناب آقای دکتر سعید جلالی هنرمند، دبیر محترم علمی همایش	۱۰ دقیقه
۱۰	کلیپ	۵ دقیقه

# 1<sup>st</sup> International & 5<sup>th</sup> National Seed Science and Technology Conference of Iran

The better seeds, the more food security and health, the less wasted resources

Razi University, Kermanshah

9-10 February, 2022

1<sup>st</sup> International & 5<sup>th</sup> National  
Seed Science and Technology Conference of Iran

Razi University

Panel 2: Dr. Hooman Salari, Dr. Alireza Zebarjadi		February the 9 <sup>th</sup> , 2022 - Keynote speeches - 10:00 am	
	Speaker	Title	Time
1	<b>Dr. Pr. Loïc RAJJOU</b> <a href="#">INRAE, AgroParisTech, Université France</a>	Molecular mechanisms underlying physiological seed quality	30 minutes
2	<b>Dr. Reza Tavakkol-Afshari</b> <a href="#">Department of Agronomy, Ferdowsi University, Iran</a>	Seed industry and challenges: a case study, astan quds razavi seed and seedling institute [In Persian]	30 minutes
3	<b>Dr. Alison Powell</b> <a href="#">Chair of ISTA Vigour Committee, University of Aberdeen, Scotland</a>	The physiological basis of seed vigour and its use in seed testing	30 minutes
4	clip	Introduction of corn cultivation development company	5 minutes
5	clip	Modalal Food Industries Group	5 minutes
6	<b>Mr. Abolhassan Khalili</b>	Managing director of modalal food industries group	15 minutes

(Tehran time: GMT +3:30)

Panel 3: Dr. Hooman Salari, Dr. Aidin Hamidi		February the 9 <sup>th</sup> , 2022 - Keynote speeches - 14:00 pm	
	Speaker	Title	Time
7	<b>Dr. Seyed Mohammad-Reza Ehteshami</b> <a href="#">University of Guilan, Iran</a>	Seed coating by rhizobacteria: a new practical strategy for plants yield improvement under climate change conditions [In Persian]	30 minutes
8	<b>Dr. Farzad Sharif-Zadeh</b> <a href="#">Tehran University, Iran</a>	The effect of post-priming treatments on longevity enhancement of primed seeds [In Persian]	30 minutes
9	<b>Dr. Fiona R. Hay</b> <a href="#">Department of Agroecology, Aarhus University   Denmark</a>	Understanding seed longevity for diverse taxa	30 minutes

(Tehran time: GMT +3:30)

# 1<sup>st</sup> International & 5<sup>th</sup> National Seed Science and Technology Conference of Iran

The better seeds, the more food security and health, the less wasted resources

Razi University, Kermanshah

9-10 February, 2022

1<sup>st</sup> International & 5<sup>th</sup> National  
Seed Science and Technology Conference of Iran

Razi University

## Panel 4: Dr. Hooman Salari, Dr. Farhad Kheiri

February the 9<sup>th</sup>, 2022 - Keynote speeches - 16:00 pm

	Speaker	Title	Time
10	<a href="#">Dr. Nariman Salih-Ahmad</a> <a href="#">University of Sulaimani, Kurdistan Region, Iraq</a>	Conservatio of plant genetic resources in Kurdistan-Iraq	30 minutes
11	<a href="#">Dr. Benjamin Kaufman</a> <a href="#">Illinois University, Urbana-Champaign, USA</a>	The use of NGS as a tool for seed quality assurance testing	30 minutes
12	<a href="#">Dr. Sohbat Bahraminejad</a> <a href="#">Razi University, Iran</a>	Oats; A new opportunity to improve food safety and security [In Persian]	30 minutes

(Tehran time: GMT +3:30)

## Panel 5: Dr. Hooman Salari, Dr. Kianoosh Cheghamirza

February the 10<sup>th</sup>, 2022 - Keynote speeches - 08:30 am

	Speaker	Title	Time
13	<a href="#">Dr. Elias Soltani</a> <a href="#">Tehran University, Iran</a>	Seed dormancy diversity and methods of identifying its types in plants [In Persian]	30 minutes
14	<a href="#">Dr. Irfan Afzal</a> <a href="#">University of Agriculture, Faisalabad, Pakistan</a>	Dry Chain Technology to reduce postharvest losses in seeds	30 minutes
15	<a href="#">Dr. Saeid Jalali-Honarmand</a> <a href="#">Razi University, Iran</a>	An introduction to thermography and its use [In Persian]	30 minutes
16	<a href="#">Dr. Zahra Salimi</a> <a href="#">Aarhus University, Denmark</a>	Application of multispectral image analysis to seed quality investigation	30 minutes

(Tehran time: GMT +3:30)

## Panel 6: Dr. Hooman Salari, Dr. Hamid Madani

February the 10<sup>th</sup>, 2022 - Keynote speeches - 10:45 am

	Speaker	Title	Time
17	<a href="#">Dr. Aidin Hamidi</a> <a href="#">SPCRI, Karaj, Iran</a>	The role of seed industry development in food security achievement [In Persian]	30 minutes
18	<a href="#">Dr. Ali A. M. El-Keblawy</a> <a href="#">University of Sharjah   UAE</a>	Seed source can affect dormancy and germination	30 minutes
19	<a href="#">Dr. Nafiseh Geshnizjani</a> <a href="#">Postdoctoral Researcher at University of Tehran</a>	Genetic variation for tomato seed thermo-inhibition and thermo-dormancy [In Persian]	30 minutes
20	Closing Ceremony   اختتامیه		

(Tehran time: GMT +3:30)

# 1<sup>st</sup> International & 5<sup>th</sup> National Seed Science and Technology Conference of Iran

The better seeds, the more food security and health, the less wasted resources

Razi University, Kermanshah

9-10 February, 2022

# [vpadink.ir/seed2022](http://vpadink.ir/seed2022)

**1<sup>st</sup> International & 5<sup>th</sup> National Seed  
Science and Technology Conference of Iran**

Razi University, Kermanshah 9-10 February 2022

The better seeds, the more food security and health, the less wasted resources

**Conference Topics:**

- Seed Biology (Physiology, Ecology, Biochemistry, Genetic ...)
- Seed Production and Processing Technology
- Seed Control and Certification
- Seed Industry and Economics (Entrepreneurship, Protection, Royalty, Marketing, Value chain, Industrial cluster and Commercialization)

**Date of holding (Virtual):**  
**9-10 February 2022**  
**8:30 a.m.**

**Conference link**  
[vpadink.ir/seed2022](http://vpadink.ir/seed2022)

**اولین همایش بین المللی و پنجمین همایش ملی  
علوم و تکنولوژی بذر ایران**

دانشگاه رازی، کرمانشاه

**1<sup>st</sup> International & 5<sup>th</sup> National Seed  
Science and Technology Conference of Iran**

Razi University, Kermanshah

**بذر بهتر، سلامتی و امنیت غذایی بیشتر، هدر وقت کمتر منابع**

**محورهای همایش:**

**تاریخ برگزاری (به صورت مجازی)**  
**۱۴۰۰ و ۲۱ بهمن**  
**ساعت: ۸:۳۰**

**لینک همایش**
